

## “Autumn Paints Bright Colors On The Leaves”

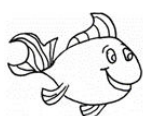

Dear Parents and Children,

Autumn leaves have started to change their colors and October Newsletter is here again to remind us of some memories and moments, we had in this month. First, we celebrated the 6<sup>th</sup> birthday of our Little Tiger girl, and her mummy devoted us amazing theatre performance and a special workshop. During this bright colorful month, we all enjoyed sunny days outside in our garden to have fun before cold foggy days appear. There was also one week of Autumn holiday at the end of the month. We hope you had a great time! The final event saw PORG Kindergarten turn spooky on the 31<sup>st</sup> of October as we celebrated Halloween. Our cute little witches, skeletons, ghosts, cats, vampires, and others had a nice costumes parade, dance, and trick-or-treat.

What a nice party it was!

In conclusion, our sincere thanks for your great cooperation.
