

WORLD WAR II HISTORY TOUR

Are you interested in WWII history?

Interested to learn more about how the Czech Republic was affected and the history behind it?

Do you want to know about great battles and how important events transpired?

Then join us for a tour through the Czech countryside and Germany. Visit important WWII sites and learn about important moments of history.

Explore the past

We will be exploring important World War II sites throughout the Czech Republic and Germany, learning about their significance in the war and its effect on the future. Sites will/may include memorials in Lidice, Prague, Pilsen and many others.
