PORG INTERNATIONAL SCHOOL

KINDERGARTEN

Dear Parents and Children,

The first month of this school year is over and newsletter is ready for you to read.

First of all, we would like to welcome all children and parents to our Birdie class at PORG International kindergarten after the summer holiday.

This month we spent plenty of time outside in our kindergarten playground.

What we have started to learn

This month, children learned the classroom rules, weather, we learned about each other, what do we like and dislike, learned about the colours, telling them apart and sorting them. The children also played games such as ‘colour hunt’ (the task was to find subject hidden around the classroom and match them to the same colour sheet).

Jolly Phonics

We have started the 1st group sounds (s, a, t,). The children learned writing rules (left to right, from up to down). They started to practice their handwriting to develop their gross, fine and writing skills We also started to blend the first words such as s-i-t, p-i-n etc. For the learning activities, we use the Big Story book, Finger Phonics Book and sound flash cards.

Counting / Numeracy

The children practice forming numerals from 1 to 5, then they had to find the picture which represents the number and match it to the numeral.

Prepositions of place

Art activity

The children created lots of beautiful pictures. Drawing, cutting and pasting.

The book fair

On 20th September, we were lucky with the sunny weather to enjoy the Book Fair in the fresh air. Interesting books were seen everywhere. We spent a nice morning over books.

Classroom Notes

On 23rd – 27th October Autumn Holiday – Kindergarten will be closed on these days.

On 31st October – Halloween party – more information will be sent to you in advance

Have a nice autumn time!

Best regards

Romana Lewins
