KINDERGARTEN

Newsletter December 2023

Dear Parents and Children,

As we all know and love, the end of December brings Christmas. This is an exceptional month full of joy, hopes and secret wishes. The children have enjoyed this charming time of the year a lot. We spent most of our time singing Christmas carols, doing lots of craft activities, practicing our Christmas performance and I must say, I am so proud of them. What a great job they did.

We were all very excited about our Santa's visit. What a magical moment it was.

Santa's visit

What we have started to learn

The theme this month was based on St. Nicholas and Christmas, to familiarize children with advent time as preparation for Christmas, the different customs and traditions in different countries. The children spent time learning about the importance of these holidays. They were also participating in the preparation with the use of practical and artistic activities, musical activities and dramatization.

Jolly Phonics

The children have learned the 3rd group sounds (g, o, u).

Pre-reading activities: flashcards – blending words.

<u>Christmas art activity</u>

Christmas cards

Christmas tree

Song and rhymes

The Little Snowflake, Christmas Pudding, Jingle Bells, We Wish You A Merry Christmas, I Want To Be An Elf, It Must Be Santa.

Best regards

Romana Lewins
