NEWSLETTER
JANUARY 2024

Little Fish

Little Tigers

Dear Parents and Children,

The first month of the new year is over and a brand new newsletter is ready for you. January was dedicated to our **health and body**.
Our reception children took part in **Ski traning in Skalka**. All of them did a good job! “Little French Fries“ as we called our ski team, learnt a lot while having fun and enjoyed time spending in open air.
Also the younger group of children kept fit and had **fun outside** by moving **in the snow**, enjoyed our little winter wonderland!
January was also rich in **birthday celebrations**. Both classes were full of cupcakes and cakes with candles on. Our sincere thank to the parents for the preparation of the celebrations and refreshments they brought. Also, we really appreciate Ema’s and Anežka‘ s parents for arranging **a theatre performance held on the 24th, and a clown party held on the 26th of January**.

“What a great time we had in January!“

A MAGICAL SKIING ADVENTURE FOR YOUNG SPROUTS!

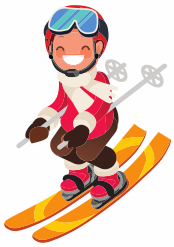

We **really** liked our assigned pink shirts, an they fit greatly with the rest of our gear! #girlswillbegirls

All these “fries” and “pizzas” the trainers are using have a serious effect on our appetite!

WE CAN'T HAVE ENOUGH SNOW FUN!

For the rest of our friends back at school, snow was also as fun as it could be! The children jumped, slided, "cooked" and shoveled without a break. There were even snow castles!

HAPPY BIRTHDAY ANEŽKA!

HAPPY BIRTHDAY EMA!

The end of January held another amazing experience for us! Two girl clowns visited us and amazed us with bubbles, dancing tricks and other challenges. We had a blast and got balloons in the end!

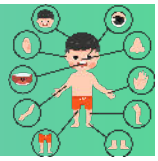

A GLANCE INTO OUR CLASSROOMS

EDUCATIONAL OBJECTIVES:

- Learn about the various body parts, including the upper and lower limbs, inner organs, facial features, and the five senses.
- Develop an understanding of the healthy lifestyle and the role of nutrition in maintaining good health.
- Enhance communication skills in English by learning relevant vocabulary such as healthy/unhealthy food and body/face parts.
- Encourage children to prioritize the care and prevention of their bodies.
- Gain knowledge of the international celebration of "The Three Kings" in January.

JOLLY PHONICS

This month Fishes and Tigers “raced” and covered a big part of the 3rd sound group.

- We learned to turn the lights “on” and “off”, learning the sound “o”, and other words like: octopus,hot/cold, dog . Also we tried to pre-read words like log and box.
- Along with learning the sound “u”, we put our umbrellas up to keep dry, and learned other words including the sound “u” like sun and bus. Also we tried to tell apart the sounds “u” and “a” and listen to the difference (sun/ant)
- We also learned sound “l” and the phrase/tongue twister: lick your lollipop.

A TASTE OF OUR LEARNING EXPERIENCE

Tigers

Songs: "Five senses song", "Hockey Cockey", "", "My tři králové", "Na lyže"
