NEWSLETTER SEPTEMBER 2024

WELCOME TO OUR KINDERGARTEN 2024/2025

As we embark on a new school year, we want to extend a heartfelt welcome to all of you.
It's wonderful to see familiar faces back with us, and we are equally excited to greet the new families and their children who have recently joined our community.
Whether you've been with us for years or are just beginning your journey here, we are eager to create lasting memories together.

It's amazing how quickly the first month has flown by. We are truly impressed with how smoothly the children have settled in, and we'd like to give a special shout-out to all the new families—it's a joy to have you with us.
Our wonderful team is dedicated to creating a supportive and stimulating environment where every child can flourish. We are excited to build on the amazing start we've had and look forward to seeing what the rest of the year holds.

Thank you for your support and trust. We can't wait to share even more special moments with you and your children as the school year unfolds.

WELCOME PARTY

We are excited to share the wonderful experience we had at our recent "Family Challenge" event! It was a day filled with joy, creativity, and teamwork as both parents and children took part in a series of fun activities designed to engage everyone in the spirit of play and learning.

Throughout the day, families explored various corners of the school while completing exciting tasks, including an obstacle course in the gym, a pantomime game, and a memory challenge to test those quick recall skills. In our creative stations, children and parents worked together to make keychains, fold beautiful origami creations, and paint tiles.

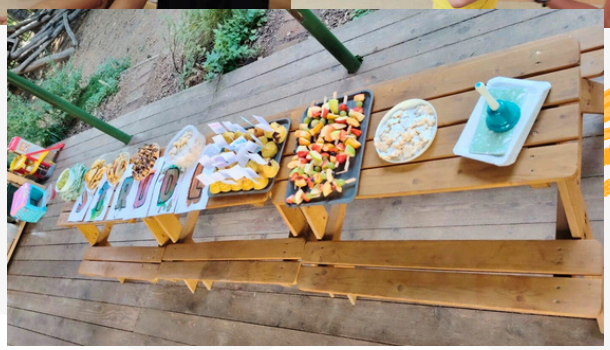

One of the highlights was the chance for parents to discover the unique spaces within our school, from the ceramics workshop and gymnasium to the four classroom areas and the lovely garden. It was a fantastic way to see where your children spend their days learning and growing.

To end the day on a sweet note, everyone enjoyed a delicious assortment of snacks and treats—lovingly prepared by the children themselves during the morning.

Thank you all for coming and spending a splended time with us.

LAMACENTRUM BRNO

In September, the Little Bees and Little Frogs classes enjoyed a wonderful outing to Lamacentrum Brno. The children had the chance to explore the fascinating world of llamas and alpacas while taking part in an engaging eco-educational program. They learned about these amazing animals, fed them, and even had the opportunity to observe their behavior up close. It was a fun-filled day of discovery and nature, and the children left with big smiles and new knowledge!
