NEWSLETTER DECEMBER 2024

Dear Parents and Children,

As one of the most wonderful months of the year comes to a close, we are excited to share with you the final 2024 newsletter. December was filled with joyful moments as we prepared for Christmas together.

We began the month with the lighting of our Christmas tree. After enjoying festive workshops in the kindergarten, we gathered around the tree, where the celebration started with a warm welcoming speech. The children then charmed us with their singing of Christmas songs and carols, beautifully taught by Ms. Terezka.

Throughout the month, we were delighted by a visit from St. Nicholas and his companions, who brought joy, excitement, and small gifts for the children. The festive atmosphere continued with wonderful Christmas performances lovingly prepared by the children and their teachers.

To end this magical time, the children were thrilled to experience Ježíšek's special gift-giving celebration. These heartwarming moments filled our kindergarten with joy, laughter, and the true spirit of Christmas.
