Maximum price per student:
11,500 czk (plus food money for Prague)

For more information email baugh@porg.cz

Five days horseback riding at Hipocentrum Koryčany and two days enjoying Prague.

If you are interested in horses and want to ride – whether you are an experienced equestrian or have never yet put your foot in a stirrup – this is the school-in-the-countryside for you. We shall spend the first five days at the Hipocentrum Koryčany learning about horses, riding (eight hours in the saddle; one lesson of vaulting), relaxing, chatting, and doing other fun activities.

After we leave the riding center, we will spend the final two days in Prague – doing fun and cultural activities).

If you like animals, don't mind getting your jeans dirty, and are nice to your classmates, I would love to have you on this trip.
