february 2025

What a fantastic Carnival Day full of music, dancing, and fun games.

And a big thank you to all parents for helping with the costumes we truly appreciate it.

DO YOU LIKE PIZZA? YES, I DO!

The Little Owls recently had a fantastic experience visiting a restaurant. They got to make their very own pizza.

A big thank you to Mr. Relich for the kind invitation and for making this wonderful experience possible.

WHAT DO BIRDS LIKE TO EAT?

Little Bees class recently participated in the educational programme "What Do Birds Like to Eat?" at the Lipka Centre.

The children listened to a story about a hungry great tit and learned how to prepare bird food by collecting seeds from plants. They also made a bird feeder, which they brought back to the kindergarten.

BAKING TIME

We had a wonderful visit from the bakers at Chleba Brno.
The children had the opportunity to work with dough, shape their own pastries, and, of course, enjoy their freshly baked treats.
It was a fantastic experience, and we truly appreciate the time and effort of the bakers who made
this day so special.
Thank you!
