APRIL ADVENTURES

April was a month full of color, creativity, and community. Across all our classes, the children experienced a wide range of enriching and joyful activities.

In the first part of the month, we focused on spring and Easter. The children explored traditions through themed games and crafts, and we were delighted to welcome families to our Easter Workshop, where parents and children worked side by side on beautiful seasonal decorations. We have also invited Mr. Edward and Ms. Holly from PORG Primary school for fun english activites. We enjoyed several theatre performances by Theater Kejkle.

After Easter, the whole kindergarten set off on our much-anticipated Nature School Trip to Bolešín, a peaceful village in the Vysočina region. Each day was themed around one of the four elements, which the children "rescued" through playful missions and group challenges:
Tuesday was all about water, Wednesday focused on fire, Thursday was dedicated to earth, and Friday brought the power of wind.
It was a week full of exploration, fresh air, teamwork, and unforgettable memories.
One of the highlights of the month came at the end, with our festive Walpurgis Night celebration. Dressed as little witches and wizards, the children sang songs and played games, and we ended the day with a cozy sausage roast in the school garden.

April brought us closer not only to nature but also to each other—and we look forward to the adventures that May will bring.

EASTER TIME WITH MR. EDWARD AND MS. HOLLY

WE HAD SPECIAL VISITORS AT OUR KINDERGARTEN – EDWARD AND HOLLY FROM PORG PRIMARY SCHOOL, WHO PREPARED A LOVELY ENGLISH PROGRAMME WITH AN EASTER THEME.

THE CHILDREN ENJOYED GAMES THROUGH WHICH THEY PLAYFULLY GOT TO KNOW BOTH THE ENGLISH LANGUAGE AND EASTER TRADITIONS. A BIG THANK YOU TO EDWARD AND HOLLY FOR THEIR WONDERFUL VISIT.

MORAVIAN MUSEUM

WE ALSO ENJOYED THE EASTER ATMOSPHERE DURING OUR VISIT TO THE EDUCATIONAL PROGRAMME "EASTER AT THE MUSEUM – BAKING JIDÁŠE".

THE CHILDREN FROM THE BEES AND FROGS CLASSES TRIED TRADITIONAL EASTER BAKING, LEARNED ABOUT FOLK CUSTOMS, AND TOOK HOME THEIR OWN DELICIOUSLY SCENTED JIDÁŠE.
