MAY ADVENTURES

May was full of exciting learning experiences and adventures for our children.
We took part in several educational programmes with Lipka, where the children explored nature, gardening, and sustainability in playful and engaging ways.
A highlight of the month was train trip to the Omice quarry, where the children saw real stone excavation and even tried out heavy machinery! We also visited the Pisárky tram depot in Brno – a fascinating look behind the scenes of public transport.
Meanwhile, we're enjoying the final swimming and exercise lessons of the school year.
As the school year slowly comes to a close, we're already looking forward to the joy and sunshine of summer. Thank you for sharing these moments with us – there's always something happening in our little world.

A VISIT TO GRANDMA'S GARDEN

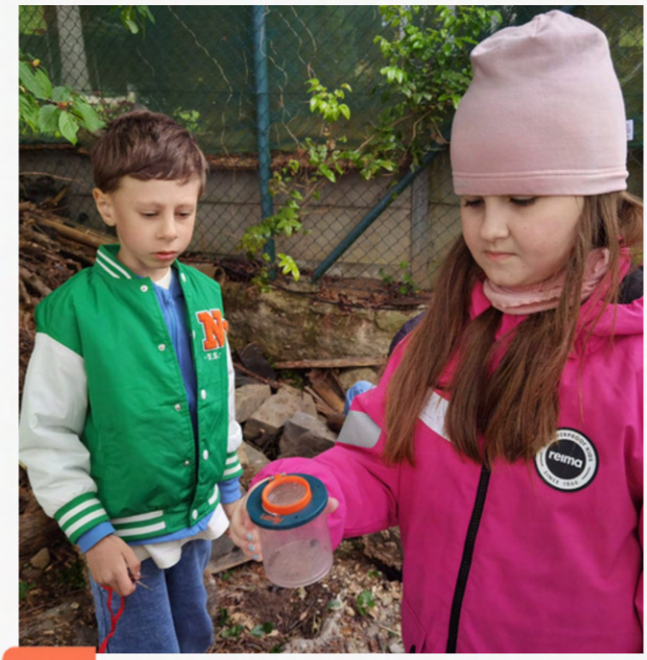

IN MAY, THE CHILDREN VISITED LIPKA – ROZMARÝN AND EXPLORED "GRANDMA'S GARDEN." THEY LEARNED ABOUT COMPOST, HERBS, AND VEGETABLES, MADE THEIR OWN HERB SALT, PLANTED SEEDS, AND EXAMINED SOIL CREATURES WITH MAGNIFYING GLASSES.

A LOVELY DAY FULL OF NATURE AND DISCOVERY!

HAPPY MOTHER'S DAY

A HEARTFELT THANK YOU TO ALL THE MUMS FOR JOINING US AND MAKING THE DAY SO SPECIAL. 💐

ROCKS EVERYWHERE!!!

THE CHILDREN FROM LITTLE OWLS SET OFF ON AN ADVENTUROUS TRAIN TRIP TO THE QUARRY IN OMICE. THEY LISTENED TO AN ENGAGING TALK ABOUT HOW THE QUARRY OPERATES, ACCOMPANIED BY A CLOSE-UP LOOK AT HEAVY MACHINERY – NOT ONLY DID THEY GET TO SEE THE MACHINES, BUT SOME OF THEM EVEN GOT TO TRY THEM OUT THEMSELVES. THE HIGHLIGHT OF THE DAY WAS WATCHING THE STONE EXTRACTION IN ACTION – THE NOISE, THE DUST, AND THE ENORMOUS MACHINES LEFT A BIG IMPRESSION ON EVERYONE!

MANY THANKS FOR OUR PARENTS GIVING US THE CHANCE TO PEEK INTO THE WORLD WHERE STONE IS BORN 💛
