NEWSLETTER
JUNE 2025

Dear Parents and Children,

It feels like just yesterday, but the school year is already ending! The last newsletter of the school year is here. We've had a whirlwind of laughter and achievements this month - starting with the unforgettable May 30th Pirate Quest, where our tiny pirates cracked riddles, "battled" on stick-boats, and uncovered a treasure trove of ice-lollies at Ferona playground for a joyful Children's Day celebration. Then on June 9th we celebrated our preschool graduates - complete with stage performances, emotional goodbyes (tears and all!), special sashes and gifts, games, and delicious treats. The school year ended with a bang at our "Colours of PORG" Summer Party! The kids were incredible and did a beautiful job dancing on stage for all our guests. We also triumphantly wrapped up our swim course (floating colors and all), followed by water slide fun and cheered on birthday stars Kubík, Toník, and especially Adelka - our soon-to-be schoolgirl who delighted us with a bouncy castle bash at the last day of school. We closed the school year dancing, smiling, and full of gratitude, thank you for trusting us with your wonderful children, and here's to an amazing summer ahead! 🌞

Sending you our very best wishes for a fantastic summer! We hope you find plenty of time for relaxation, and all the things that bring you happiness.

Children's day

An adventurous day full of excitement – right up to the very end! Our Ms. Hanka prepared a fun pirate treasure hunt for all of us :-). Big thank you! While the children were racing and searching for the treasure, the teachers were hurrying to make sure it didn't melt. And even though someone got a little lost along the way, everything turned out just fine :-). The treasure was found in time, the children were appropriately thrilled, and everyone enjoyed an ice lolly treat :-).

Preschool graduation ceremony

Beautiful, joyful, and moving, there were tears in the eyes of almost everyone present. Moms, grandmas, and teachers were touched, as our preschoolers were officially "knighted" as schoolchildren. The wonderful and fun years spent with their friends and kindergarten teachers are now behind them. Of course, it wasn't always easy, there were challenges and lots of hard work, but above all, countless beautiful moments and memories they will carry with them. And now...

We wish you a truly amazing journey through life, just the way you will one day wish it to be, and don't forget...

Summer Party

In a wonderfully relaxed and friendly atmosphere, with a drink in hand or a little treat to nibble on , we wrapped up the school year in style at “Colors of Porg”! There was singing, dancing, and lots of laughter - the celebration was in full swing!

And our youngest performers? They received an incredible round of applause, because they truly are our little Big Stars! 🌟 They are our brightest stars, and they were absolutely amazing. We’re so proud of you ❤️.

A huge thank you to everyone who helped organize and prepare this unforgettable event!

Adelka's Birthday

Adélka celebrated her special day in style, and invited all her friends to join the fun in a bouncy castle! It was a joyful celebration that also marked a beautiful end to the school year. Our heartfelt thanks to Adélka and her parents. ❤️
