SEPTEMBER 2025

Dear Parents and Children,

Welcome to the new school year! September has been full of fresh starts and joyful reunions. We were so happy to see all our returning children and to warmly welcome new faces and their families.

Thank you to everyone who joined our Welcome Party - it was a fantastic day! The children had a great time with the trail orienteering, and it was lovely to see parents getting involved. A big thank-you to those who brought delicious snacks to share. The afternoon ended perfectly around the campfire, roasting sausages and enjoying each other's company.

The Usborne Book Fair was a big success. It was wonderful to see so many children excited about English books - thank you for supporting a love of reading .

We also had a visit from our speech therapist, Mrs. Špačková, who spent time with the children assessing their speech and language development. She will be starting a new club called "Povídálek" next month.

Thanks to an invitation from PORG primary school, our children had an amazing time jumping and playing in the bouncing castle - it truly was a fun-filled day!

We're pleased that our P.E. lessons have started off so well, led by the experienced Mr. Ondra. English lessons with Mr. Matt have also been a great success, and the children are enjoying them very much.

Finally, we'd like to wish a very happy birthday to our September stars: Tori, Theo, Ella, Sophi, Annabelle, Bertík, and Ivy. We had so much fun celebrating with them and wish them a joyful year full of new adventures.

We're looking forward to a wonderful school year ahead - full of learning, friendship, and fun!

Welcome Party

On Monday, September 8, we celebrated the new school year with our traditional Welcome Party, together with You. The whole afternoon had a warm, friendly, family-like atmosphere - we chatted, welcomed new children and parents, roasted sausages, and enjoyed lots of delicious treats that You brought or prepared themselves. Meanwhile, the children had a great time playing and running around outside. It was a wonderful gathering full of joy and good vibes. We are so happy to have started the school year together in such a lovely way. Welcome Back and Thank You!

Gym with Mr. Ondra and Miss Kristýna

Since September, the children have been enjoying a variety of fun physical activities and games again. From now on, P.E. lessons are led by Mr. Ondra, with Miss Kristýna stepping in occasionally - sometimes in the school gym and, when the weather is nice, out on the playground. The children always have a great time and really enjoy being active. Hip, hip, Yippee!!

Book fair

And after a year, the Book Fair has once again arrived at our school. This time too, the children could enjoy wonderful moments surrounded by many interesting and appealing the Usborne books, as well as interactive activities and live book readings. Many of you also visited the festival and brought joy to yourselves or your children by choosing a new book to buy home.

English with Mr. Matt

Our regular activities with our native speaker, Mr. Matt, have already started. Every Tuesday, the Little Fish and Little Tigers get to enjoy time with him, and on Fridays it's the Puffy Clouds' turn for lots of fun with English. With Mr. Matt, the children always play, sing, and pick up new words in the most natural and joyful way.

Speech Therapy

Also this school year, we continue our cooperation with Mrs. Špačková, a specialist in speech therapy. On September 19, the initial screening already took place, and from now on the children can look forward to “Povídálek” - fun speech therapy activities every Wednesday.

Bouncing Castle

On Tuesday, September 23, our gym turned into a land of fun - a bouncy castle arrived! The children had the best time jumping, laughing, and playing to their hearts’ content. And to everyone’s delight, even some of the braver teachers joined in! It was a day full of joy, bounces, and lots of happy energy!
