NEWSLETTER SEPTEMBER 2025

WELCOME TO OUR KINDERGARTEN

Dear Parents and Children,
We're happy to welcome all our families, both returning and new to another exciting school year. The children have quickly settled into new routines and filled our classrooms with joy and curiosity.
Thank you to everyone who joined our Welcome Party – it was a fantastic day full of fun activities and great company.
We're also starting regular speech development activities through songs and rhymes, and in October, several new clubs will begin.
Our preschoolers can look forward to SmartBricks, tennis, Logohrátky, the Travel Club, and ceramics, which proved so popular that we added an extra group.
Speech therapists will also visit regularly to support the children's language development.
We look forward to a wonderful school year full of learning, friendship, and fun.

WELCOME PARTY

We are excited to share the wonderful experience we had at our recent "Family Challenge" event! It was a day filled with joy, creativity, and teamwork as both parents and children took part in a series of fun activities designed to engage everyone in the spirit of play and

Throughout the day, families explored various corners of the school while completing exciting tasks, including an obstacle course in the gym, a pantomime game, and a memory challenge to test those quick recall skills. In our creative stations, children and parents worked together to make keychains, fold beautiful origami creations, and paint tiles.

One of the highlights was the chance for parents to discover the unique spaces within our school, from the ceramics workshop and gym to the four classroom areas and the lovely garden.

It was a fantastic way to see where your children spend their days learning and growing.

To end the day on a sweet note, everyone enjoyed a delicious assortment of snacks and treats - lovingly prepared by the children themselves during the morning.

Thank you all for coming and spending a splended time with us.

RUNNING WITH EMIL

Our Owlets Class joined the project “Running with Emil”, held in honour of Emil Zátopek’s birthday.
Congratulations to all our persistent little runners.

A GLANCE INTO OUR CLASSROOMS

Our Busy Bees have been busy getting ready for school. Through fun activities, games, and creative projects, the children are developing important skills for a smooth start to primary school.

BIRTHDAY FIESTA IN SEPTEMBER

EXPLORING OUTSIDE

Let's go outside

APPLES BIG, APPLES SMALL. GUESS WHAT?

Autumn has arrived, and with it, we held a festive Apple celebration with the children from the Little Mice class.

I LIKE THEM ALL.

Together, we baked delicious apple treats.
