AUTUMN IS HERE

Dear parents, we are excited to share with you the wonderful experiences from our recent events and activities of the past month.

It was a pleasure to see so many of you join us for an afternoon full of autumn fun and pumpkin carving.
Using pumpkins and a variety of provided fall materials, parents and children worked together in our outdoor workshop to create some fantastic pumpkin carvings.

Thank you to all the parents and children who participated and we look forward to more memories and events together.

PYJAMA PARTY

What would it be like to spend the whole day in your pyjamas?

The Little Owls 🦉 found out during their Pyjama Day & Sleepover. They went on a mission to find lost cuddly toys around the kindergarten, exercised with their favourite plush friends, made their own sleeping masks, and finished the day with a cosy bedtime story.

It was a fun, fluffy, and sleepy adventure — exactly what pyjama dreams are made of.

SLEEPOVER IN THE LITTLE MICE CLASS

Our Little Mice had an unforgettable evening at kindergarten sleepover.

The classroom turned into a cosy night-time playground filled with games, laughter and bedtime stories. Children enjoyed dinner together, played fun evening games, and then fell asleep surrounded by their friends and soft cuddly toys.

BIRTHDAY FIESTA IN OCTOBER

HAPPY BIRTHAY ADÁMKU!
THANK YOU TO ADAMKO'S PARENTS FOR ARRANGING FACE PAINTING FOR HIS BIRTHDAY PARTY.

GRANDPA PLANTED A TURNIP

Our children took part in the educational programme Grandpa Planted a Turnip in the Open Garden. They explored how plants grow from seeds to fruit, tried planting, threshing grain, grinding flour, and baking their own bread rolls. Through hands-on activities, storytelling, and play, the children developed creativity, fine motor skills, teamwork, and a deeper connection with nature.

IN OUR CLASS

LITTLE ANIMAL KEEPERS IN ACTION

Our Owl Class has the wonderful opportunity to take part in the Animal Club at SEV Hlídka. Every session, the children meet different animals, learn how to care for them, and discover many interesting facts about their habitats and lives.

Through hands-on activities and gentle interactions, the children develop curiosity, responsibility, and a deeper love for nature.

TRIP WITH FROGGIES

Our Froggies 🐸 enjoyed a wonderful trip to the farm.
