NEWSLETTER DECEMBER 2025

🎄 December Highlights

This month was full of joyful and festive moments at our school.

We welcomed St. Nicholas, who visited the children and handed out small gift packages, bringing lots of excitement and smiles.

The children also enjoyed a St. Nicholas theatre performance by Divadlo Kufr, which added a magical touch to the season.

We shared creative moments during our Christmas workshops, followed by the lighting of the Christmas tree, creating a warm and festive atmosphere for everyone.

Another highlight was the Christmas Project prepared by the English teachers from PORG Primary School, which inspired the children and brought new ideas and experiences into our programme.

As the year comes to an end, we would like to wish you and your families a wonderful Christmas filled with peace and joy, and a happy and healthy New Year. ✨

LAST SWIMMING CLASS

This month, the children from the Owls class completed their swimming course with their final lesson. The most persistent swimmers successfully finished the entire swimming challenge, showing great determination, joy, and confidence in the water.

We would like to extend a big thank you to the instructors from the Brno Swimming School for their patience, care, and enthusiasm throughout the course.

NEW PLAYGROUND

Our school garden has been enriched with new play elements, including swings, a rope climbing structure, horizontal bars, and a playhouse. These additions support the children's physical development, creativity, and joy of outdoor play.

LET'S BAKE!

CHRISTMAS THEATRE

The children enjoyed a Christmas performance by Divadlo Kufr, enriched with fun juggling acts that made the show even more magical and entertaining.
