NEWSLETTER
NOVEMBER 2025

Dear Parents and Children,

Welcome to our latest newsletter! Here's a look at what we've been up to.

November began with our Halloween Celebration. We had so much fun dressing up and going "trick-or-treating." Furthermore, we really enjoyed Cavia Therapy; cuddling the guinea pigs was a calming and educational experience for everyone. In addition, these furry friends taught us all about gentle care and compassion.

Moreover, our Little Tigers, Little Fish, and Puffy Clouds classes enjoyed a wonderful trip to the Vítkovice Library in November.

Our November Birthday Star was Valentinka. The children had a fantastic time laughing and playing games with Clown Hopsalín as we celebrated Valentinka turning six.

On the 26th, we all gathered for our annual Christmas Tree Lighting ceremony and caroling. Our children were wonderful performers, singing beautifully and producing some gorgeous crafts for the Christmas market, for sale. Thank you to everyone who joined us for this festive start to the holiday season. We hope everyone enjoyed the cheerful atmosphere, delicious refreshments, and warm drinks.

Lastly, Parents Meetings were held in all three classes during November. We were glad to have a chat with all of You. Thank You.

Halloween spree

This year again - on November 3rd - we set off with the children, all dressed in costumes, for a school-wide “Trick or treat” adventure, from the basement all the way up to the attic. The children collected plenty of treats and we all enjoyed lots of laughs along the way. And even though everyone was very brave, a few little heroes still held their breath for a moment and widened their eyes just a bit more than usual :-)
See you again next year… Trick or treat!

Visit to the city library

Throughout November, all classes visited the city library in Vítkovice. The Little Fish group enjoyed an educational and fun morning during the program “Jak být slušný jako drak,” which introduced the basics of good manners and etiquette. The Little Tigers took part in a program based on the story “Nevrlý Ruda,” helping children understand emotions and learn how to manage their own. Finally, the Puffy Clouds joined the cheerful and inspiring program “Šikovná sušenka” focused on building confidence and creativity.

Class meetings

As every year, individual parent–teacher meetings were held in all classes throughout November. Attendance was almost perfect, and even if someone forgot, we eventually managed to sit down together to talk about child's progress, their strengths, the areas we continue to work on, and the ways we can support their future development together. It seems that you are all satisfied, and that makes us very happy. Thank you for your trust, communication, and cooperation.

Cavia therapy

The children enjoyed truly sweet, warm, touching, and wonderfully "fluffy" moments on November 13th during Cavia therapy, a special activity with guinea pigs. It was not only a calming and joyful experience, but the children also learned many interesting facts about guinea pigs and how to properly care for them - and for other animals as well. The guinea pigs were gentle, patient, and incredibly cuddly, and the children absolutely adored them. Saying goodbye was quite emotional, and it quickly became clear that more than one child would have loved to take a little furry friend home.

Christmas tree lighting

On Wednesday, November 26th, we gathered around our Christmas tree, where our little stars performed the carol “Vánoční jablíčko”. Their singing was a big success - and we’re quite sure a few mums were moved to happy tears. Together, we enjoyed a truly festive atmosphere, not only by the tree but also at our Christmas market. There, you could take home beautiful handmade items created by your children, taste some treats, and warm up with a cup of punch.

Your generosity was incredible, and we would like to thank You sincerely, not only for your contributions, but also for your wonderful presence and the joyful spirit you brought. It was absolutely magical. Wishing You a peaceful and heartwarming Advent time. ✨

HAPPY BIRTHDAY with Hopsalín

On November 21st, we all once again enjoyed a beautiful birthday morning full of fun and laughter thanks to Valentinka and her kind parents, who invited Hopsalín to her big celebration and special day. There was dancing, singing, and competitions. Everyone had a great time, and we thank them very much. Once again, “we wish you all the best, Valentinka!"

Little Tigers

Songs

“Vánoční jablíčko"
"Grizzly Bear"
"Numbers"
”Jolly songs”

Rhymes

“Hajný chodí po lese"
"Snowflakes"
