MONTHLY NEWSLETTER FROM MŠ PORG BRNO

january 2026

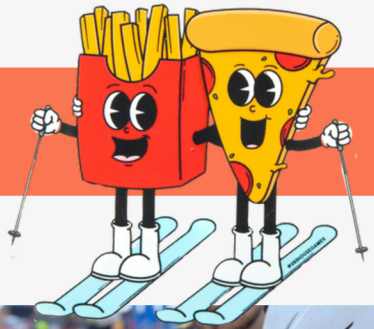

January 2026 was full of active, creative, and joyful experiences.

The new year began with a skiing course, where the children enjoyed winter sports and fresh mountain air. We also welcomed a musical workshop in cooperation with ZUŠ Ježkova, which brought rhythm, music, and inspiration.

In addition, the Bees class started their swimming course, taking their first steps towards greater confidence in the water.
It was a wonderful and dynamic start to the new year!

SKI-SON'S GREETINGS!

Take a look at the slopes with us.

ARTS & CRAFTS

MUSIC WORKSHOP

The children visited the Ježkova 9 Art School, where the teachers prepared an engaging and playful music workshop.
They tried out various musical instruments, sang familiar songs, and discovered classical music through a story about a locked school that could only be opened with a violin key.

CARNIVAL DAY

What a fantastic Carnival Day full of music, dancing, and fun games.

And a big thank you to all parents for helping with the costumes we truly appreciate it.
