SPRING HAS SPRUNG

Welcome Spring at Our Kindergarten.

Spring has arrived, bringing with it many wonderful experiences and shared moments.

In Myšičky (Little Mice Class), the children visited the Knihovna Jiřího Mahena, where they discovered the world of books and stories.
In Sovičky (Little Owls Class), the children explored Wilsonův les during a spring awakening programme, enjoyed a special animal-assisted therapy session, and experienced sleepover at the kindergarten.

All classes together took part in several exciting events. We enjoyed a theatre performance by Divadlo Šumafuk, attended an educational programme by Filharmonie Brno, and explored the wonders of the universe thanks to a mobile planetarium right in our kindergarten.
It has been a joyful and enriching start to the season, and we are looking forward to many more spring adventures!

CANISTERAPHY

„Canis” – dog
„therapy” – treatment

The Little Owls had the unique opportunity to experience canistherapy with an amazing dog. They learned about proper ways to interact with dogs, what is safe, and what to avoid.

THEATRE - ŠUMAFUK

During the first part of the month, we enjoyed a theatre performance about the adventure of a pillow named Fredy. The show was full of playful songs, colourful scenes and funny moments.

ART SPARKS

In March, our whole kindergarten attended an educational programme by Filharmonie Brno called “Teach Me to Play…”.

During the performance, the Švestka family introduced the children to the double bass and the harp, while encouraging them to discover their own musical talents.

EXPLORING THE OUTDOORS

We love spending time outdoors and regularly set out to explore the surrounding area.
