Welcome Back & September Highlights

Dear Parents and Children,
It has been a wonderful month full of new beginnings, happy smiles, and exciting discoveries. Our youngest newcomers were welcomed to the newly reconstructed **Little Woodland classroom** and are already enjoying its calm and playful atmosphere. The children are doing an amazing job adjusting to their new daily routines. Our school year began with a wonderful **Welcome Party** on a beautiful, warm day. Children and parents enjoyed a trail orienteering activity followed by roasting sausages over the fire. It was a lovely opportunity for parents and teachers to chat, connect, and get to know one another. Thank you all for coming and making this day so special!
September's **English Book Fair** was a great success! It was wonderful to see our young readers so excited about the fantastic selection of books. Thanks to your continued support, we have fully restocked both our school and kindergarten libraries with amazing new titles and future gifts for the children. Your contribution helps us inspire a lifelong love of reading.
Mrs. Špačková, a professional speech therapist, visited our kindergarten to assess the children's communication and language skills. Following her assessment, she will launch a new club, "Povídálek," in October. Our older children also visited the **Puppet Theatre**, where they enjoyed the performance "Velký příběh o malém nic."
Our September **birthday stars** are lighting up the season! We wish Theo, Tori, Sophi, Bertík, Melvin, Maruška and Ivy a magical and joyful birthday!
Finally, a **special birthday celebration** awaited our whole kindergarten at the end of September, when Hektor and his family treated us to an unforgettable culinary experience.
May your future be filled with big smiles and happy moments!
